Eckington civic

Please provide any additional information in support of your application

Our last event was run when I had been diagnosed with borderline personality disorder. I have now been through treatment and recovered so want to share again

It's about community, family, wellbeing and mental health

Last event we had the mayor and local mp, newspapers and radio visitors.

Stall holders included nhs, royal blind society, elderly food services, s Slimming world, fitness sessions, hospices, business owners like Avon, Diddy dragons, wellness coaches, mindset,

I would love to be able to do this for free again and donate anything from the stall holders to a charity

Here is the link from our last event
