Please provide any additional information in support of your application

We are a small club who are trying to maintain a service to the community. Our costs of membership are kept very low, £45.00 per year, by members carrying out all grounds and building maintenance wherever possible. Grants are our support over and above membership fees and enable us to continue as a club which was first opened in 1921 and has been running in its' present form since 1984. We are always grateful for any contributions we receive and always aim to achieve best value in everything we do.
