BOOKINGS/EVENTS/OTHER INFO

- We have a new weekly booking on a Wednesday starting in January. Baby massage and yoga will be held 10-11 in the Bluebell Suite
- Our Day session was a fun afternoon of dancing, music and flowing drinks! Everyone enjoyed it.
- Taylor Swift which was sold out, was a huge hit with the younger audience, her June 2025 concert has already sold 20 tickets.
- Motown was the busiest session this year was impressive bar takings.
- We had the Rotary Club Craft Fair which seemed to have good footfall throughout the day
- Our first toy sale was greatly received, lots of good quality toys were purchased and the children loved having their own stalls. I will be holding more of these next year.
- On top of these events we had some private hires, which all gave very positive feedback.

STAGE UPGRADE

While we are closed over the Christmas and New Year weeks, I would like to bring the stage back up to performance spec. We have a lot of performers using the stage now, not just the acts we hire in, but local groups and private hires. There are a number of issues with the stage as it is. There are lots of holes in the wood floor that could cause a health and safety issue to performers. The white back wall is reflecting light, washing out anyone that uses it. The stage used to have a black back cloth and black walls; this should never have been painted white. I would like to do the following:

New black star cloth
Paint the walls & rafters
Black out the windows to the side of the stage
Replace and paint the floor with stage floor paint
Total cost of materials £670 plus labour
